

Kanapu Exchange

< Expert and Event Access

Get in the room where the conversations are happening – this support opens the door to conferences, symposiums, wānanga, and sector events where you can connect with leading researchers, expand your professional network, and deepen your understanding of the RSIT landscape.

How this helps you

Whether you're looking to attend to connect and expand your research activities or step up and present your own work, Kanapu can aid with registration fees for the opportunity to grow your presence and voice within the industry.

Who we are looking for

Early career researchers in the field of science, innovation, and technology wanting to attend or present at an event in the next 6 months.

How to apply

Express your interest by completing the *Expert and Event Access* form on the Kanapu Exchange webpage.

Opportunities are open bi-annually for both Kanapu-partnered events and self-discovered events.

Engage with industry professionals through sector events for knowledge sharing, networking, collaboration and leadership development
