

Kanapu Exchange

< Practical Experiences

Step into the science, innovation & technology sector and experience it firsthand through a full-day industry site visit. These on-site open days will give you the opportunity to meet and connect with researchers and professionals, get a glimpse of live projects, and gain a real sense of what a career in the industry could look like for you.

How this helps you

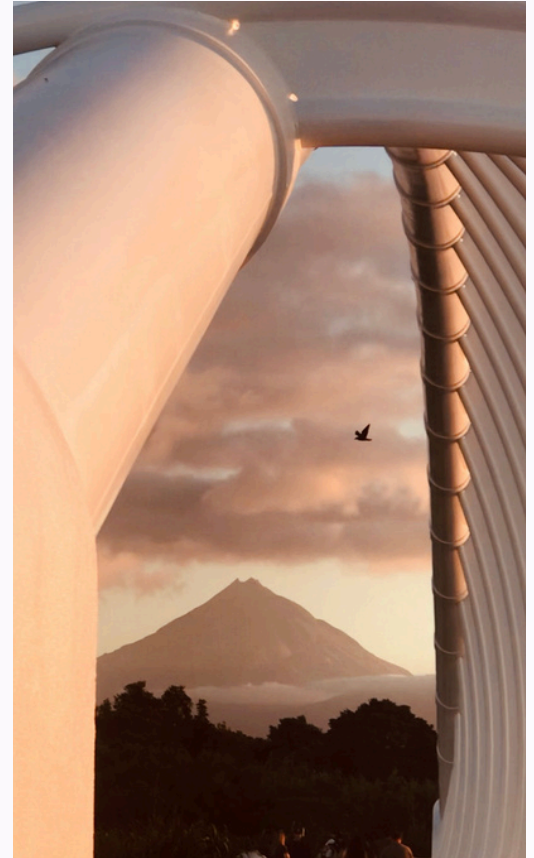

This is an opportunity to ask questions, make connections, and leave with a clearer picture of where your skills and interests could take you within science, innovation, and technology.

Who we are looking for

Undergraduate taura, post graduate taura, or early career researchers wanting to build your experience and connections in RSIT.

How to apply

Express your interest by completing the *Practical Experiences* form on the Kanapu Exchange webpage. Opportunities are subject to availability.
