

Kanapu Exchange

< Practical Experiences

Step into the science, innovation & technology sector and experience it firsthand through a full-day industry site visit. On-site open days will give you the opportunity to participate in live projects, meet and connect with researchers and professionals, and gain a real sense of what a career in the industry could look like for you.

How this helps you

This is an opportunity to ask questions, make connections, and leave with a clearer picture of where your skills and interests could take you within science, innovation, and technology (SI&T).

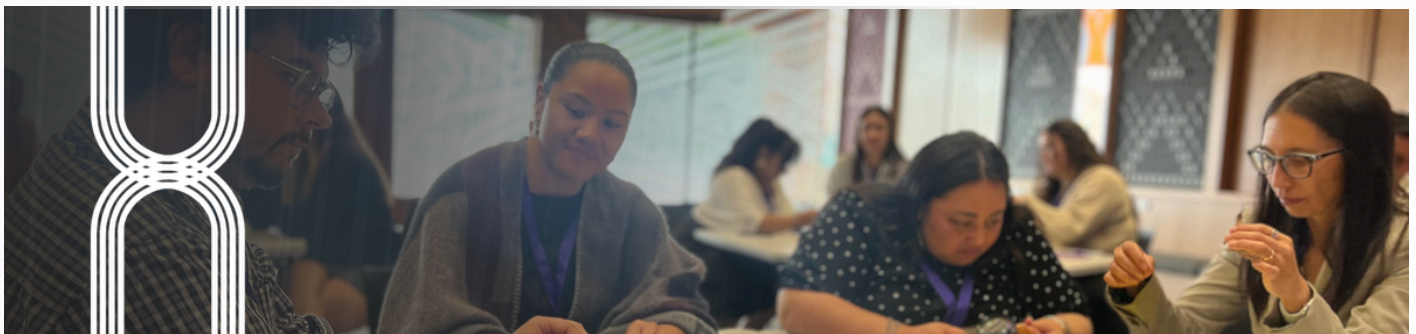

Is this for you?

This exchange experience is for undergraduate taura, post graduate taura, or early career researchers wanting to build experience and connections in SI&T.

How to apply

Express your interest by completing the *Practical Experiences* form on the Kanapu Exchange webpage. Opportunities are subject to availability.

**Gain hands on
experience

E TIPU, E REA:

Bioeconomy Science Institute Maiangi Taiao & Kanapu Exchange

Step into the world of science!

Timed to honour the spirit of Matariki — a time of reflection, renewal, and looking ahead — E tipu, e rea: Bioeconomy Science Institute Maiangi Taiao & Kanapu Exchange invites you to step inside two world-leading science and research sites here in Ruakura.

Spend the day exploring soil maps, the engineer lab, environmental monitoring, and more. You'll get a guided tour of real, live projects across Bioeconomy Science Institute's Plant and Food Research and Manaaki Whenua Landcare Research, from beehive tours and grow environments to spatial labs, wetland mapping, and soil physics.

This is your chance to meet the researchers and professionals doing this work every day, ask the questions that matter to you, and get a genuine feel for what your career in science, innovation, and technology could look like.

Is this for you?

This exchange experience is available to all undergraduate taura, post graduate taura, and early career researchers wanting to gain insight into Aotearoa's science and technology sector.

How to register

Register for E tipu, e rea: Bioeconomy Science Institute Maiangi Taiao & Kanapu Exchange via the QR code or through the Kanapu Website: kanapu.maori.nz.
